ADVANCED TREATMENTS

MEDICAL MICRODERMABRASION TAKES YEARS OFF YOUR COMPLEXION BY GENTLY EXFOLIATING THE OUTER LAYERS OF SKIN.

Because it's a safe and controlled method of skin resurfacing, the treatment can be used to solve a wide range of skin concerns on both the face and body.

Medical Microdermabrasion provides immediate and visible results for ageing skin, lines and wrinkles, open pores, blackheads, pigmentation, blemish scars, acne scars, stretch marks and so much more. You'll see the difference after just one treatment; however for more problematic skin a course of treatments may be required.

With regular treatments, the skin increases its collagen and elastin formation, giving you a naturally firmer and rejuvenated appearance

Microdermabrasion 30 mins £60 Course of 6 £300

Microdermabrasion & Skin Peel

45 mins £95 Course of 6 £475

Lite Refresh Peel 30 mins £60 Course of 3 treatments £15

Some skin types may not be suitable for a Microdermabrasion or Skin Peel. To find out more information or to book a consultation please call us on 01638 676130.

Corrective Skin Peel

5 mins £110

including a Barrier Repair Kit to use two weeks before the peel to prepare the skin. A course of 3 treatments is £285 (a saving of £45)

Clients must have the Lite Refresh Skin Peel before the Corrective Skin Peel to prepare the skin for the advanced peel.

The Corrective Skin Peel will give the skin 3 to 4 days of downtime, in this period the client may experience skin shedding, redness and general peeling.

Dermaplaning

LightFusion Photo Facial 30 mins £59 Course of 3 £160 + 6 £295 60 mins £79 Course of 3 £200 + 6 £395

An advanced photofacial system that utilises light energy to alter biological activity in the skin to target premature ageing giving the skin a younger, healthier complexion.

*Add this mask on to any other facial treatment - 15 mins £35

Dermaplaning improves the skin's appearance by removing the top layers of dead skin through a fine planing procedure. This is a safe and painless way of exfoliating the skin's dead cells in addition to removing the fine peach-fuzz hair.

The tool is held at a 45 degree angle and is brushed along the skin to remove the hair and skin cells. Dermaplaning softens, smoothes, and improves irregularities, giving the skin a silky texture. Treatment includes Light Fusion Masque.
